LOOKING FOR LAND/QUIET—HERE IT IS!

Quiet cull de sac with a Beautiful 4 Bedroom home on **3.5+ acres**, and it backs up to woods! As you enter the large foyer you'll be impressed with the natural light throughout the home . 1st floor opens to an updated kitchen, oversized island/breakfast bar, granite countertops, 42" cabinets, a large walk in pantry – overlooking the spacious family room, with gas fireplace, and dining area. 2nd floor, all 4 bedrooms are generously sized, with walk-ins, multiple or large closets. There is a huge loft, can be 2nd den, playroom, exercise room, etc. and the laundry room. For family functions and entertaining you'll love the screen porch that leads to the immense backyard, shed and above ground pool!
Don't miss this one!
