

Custom Designed Home with Open Floorplan & Free Energy Living!

3410 Acorn Drop Lane

The Villages In St Johns Woods ~ Johns Island
MLS# 18025049 ~ \$695,000

Stunning home situated adjacent to a pond in the desirable neighborhood of The Villages in St Johns Woods! This gracious home is a LEED Certified Platinum home and boasts Free Energy Living. Custom designed by a professional design team and constructed using the highest quality building materials and systems available. Construction was done using a structural insulated panel system (SIPS) for all the main structures: foundation floor, walls and roof. The result is this home operates at a substantial cost saving on utility bills. Solar energy systems and indoor air quality filtration are integrated in this highly efficient home. As you approach this home, you will realize that there is something special about it. The inviting 10 foot wide front porch adds to the charm, beauty and curb appeal.

So many more details than can be mentioned here!
