Situated on a quiet cul-de-sac lined with live oaks, and just down the street from the Charleston Steeplechase grounds within The Plantation at Stono Ferry. As you enter the front door you are greeted by a grand entrance of archways, cathedral ceilings, and beautiful inlay Brazilian cherry floors. Home boasts quality, space, top of the line design and a ton of upgrades with an exceptional amount of storage throughout the home. Great home for family and friends to gather, and spacious enough to comfortably work from home in the private study. Gourmet kitchen has been upgraded with new Sub Zero refrigerator, Wolf oven, microwave, built in Wolf coffee center, beverage cooler and ice maker. Lower level can be used for in-law suite, nanny quarters, home school classroom or family game room. Enjoy a backyard oasis with inground pool, hot tub and freshly sodded yard with tropical landscaping. Elevator services all three floors. [MLS# 20021071](#)
