Get ready to live the good life at 5000 Shelbourne Ct! Located in the Victoria Pointe neighborhood next to Summers Corner, this house has it all! Why wait for new construction? The backyard of this home is your very own oasis! The forty foot long, saltwater pool and huge fenced in yard is perfect for summer fun and entertaining! Sit back and relax in the screened in back porch. So many great features of this house- wood floors throughout, tankless hot water heater, whole house generator, gas stove, master shower with dual shower heads. When entering the home, to your right is a dining room that could easily be a home office. From the foyer, you pass a half bath then enter the main living area. The kitchen overlooks the living room and offers a large island, eat in kitchen space, pantry, tons of cabinet space. Off the kitchen and living room is the screened in porch. The porch is a great size (12x14) and overlooks the stunning backyard. Head upstairs to the master bedroom that has a beautiful master bathroom with a two sink vanity, large shower with dual showerheads and a huge master closet. There are two additional good sized bedrooms upstairs as well as another full bathroom, laundry room and loft/flex space. This area can be used in several different ways, media room, game room, office, you name it! Victoria Pointe is in a great location right down the road from Legend Oaks Golf course, walking distance to Sand Hill elementary, Rollings Middle and eventually the future shopping center that will include a grocery store. Come escape from it all and feel like you are on vacation every day while still being at home!!
