This home, in the heart of downtown Charleston, has 10' high ceilings on both the first and second floors, and a gorgeous wooden staircase between them. The kitchen features fully custom cherry cabinetry, with soft close doors and drawers and Whirlpool Gold stainless steel appliances. The entire home was recently renovated with new electric, plumbing, a first floor HVAC system, and a Rinnai tankless water heater was installed. The large laundry room has an exposed beam ceiling. Outside,you'll find spacious covered front and back porches and a private back patio area. The driveway can easily accommodate four cars. This Victorian style home is located within walking distance of MUSC, College of Charleston, and King Street! Schedule your showing today!
