An exceptional large dining room that can accommodate a large dining table and buffet. The kitchen offers stainless steel appliances, wine cooler, double ovens, an abundance of cabinetry and a generous walk in pantry. The eat in kitchen is filled with natural light, cafe seating as well as a desk area.

Open to the kitchen is the family room with a gas log fireplace and beautiful wainscoting. The formal living room feels like a retreat with elevated views of the trees in the backyard. The 1st floor master is complete with a totally updated master bath with a custom shower, large oval soaker bathtub, double sinks with quartzite terra bianca counters, and carrara tile on the floors and shower.
