This semi-custom home features an open floor plan, lots of storage space and 9 ft. ceilings throughout. The spacious kitchen is great for entertaining! It has an abundance of storage in the island as well as the freestanding pantry, with french doors that lead you to a large screen porch and patio that's great for grilling. Your guests are welcomed in a large, open foyer leading to the dining room and main living area. With the master bedroom located downstairs, this spacious room has a tray ceiling with a large master bath and huge walk-in closet. As an added bonus, this master bath has a door leading directly into the laundry room featuring washer/dryer connections and more cabinetry for storage! The back hall entry from the garage features a drop zone and half bath. Upstairs you will find three more bedrooms, each with their own walk-in closet, a full bath plus a large loft and entertainment area. And don't be surprised when you see the amount of attic space above! This beautiful home is situated on a lot surrounded by two ponds and a conservancy in the back for ultimate privacy. Hunt Club is a family friendly community featuring a community center pool and playground, located just across the street!
