High windows and vaulted ceilings of both the living room and formal sitting room impart a grandiose ambiance, and a cozy comfort from the books and heirlooms adorning the built-in full height shelving. The primary suite on the rear of the home – separate from the living spaces and guest suite – integrates the rear gardens through its own private patio outlined by a screen of blooming camellias and other native ornamentals. The guest suite at the front of the home provides privacy for visiting family who will relish visiting you at The Elms! [MLS#20029652](#)
