

Several Buyers Looking for Homes Not Currently Listed in MLS

Hi All,

I have several clients looking for homes. We have looked in the MLS, but we can't find that perfect match. Can you help?

- ☐ Buyer #1 is looking on IOP for under \$1.6M with a pool
- ☐ Buyer #2 is looking on Sullivans for anything beachfront or waterfront (price not an issue) with great water views
- ☐ Buyer #3 is looking in Mt Pleasant for any upcoming Southampton condo with 2 bed/2 bath

We have seen all in the MLS. Please email me if you have anything off-market or coming up soon.

Thank you,
Melodie
