

Looking for Beachfront Home or Coastal Property

Cash Buyers looking for Beachfront Home with Outstanding Ocean Views!

#1 Priority is the Ocean view.

Some space/privacy between the neighbors needed.

Up to \$4,500,000.

These Buyers are also open to a home with acreage where horses are allowed. Would need to have enough acreage for storing/riding horses on the property and within golf cart/walking distance to the beach.

Open to the coastal areas of Edisto to Awendaw.

Thank you!
