

In Search of a Property Manager

I am looking for an individual to employ as a property manager that has the skills and demeanor to work with tenants in all situations that arise. You will be working with 165 mobile homes in 4 separate parks. duties will include all work associated with the operation of the parks including:

- *manage staff*
- *rent collection & accountability*
- *maintenance*
- *tenant issues*
- *evictions*
- * very strong and good ownership*

The ideal candidate will be able to speak Spanish as a predominance of the tenants are Latino.(this is not a deal killer) The parks are located in North Charleston, Moncks Corner and Knightsville.
