MoveTube! STUDIO

Digital Business Cards.

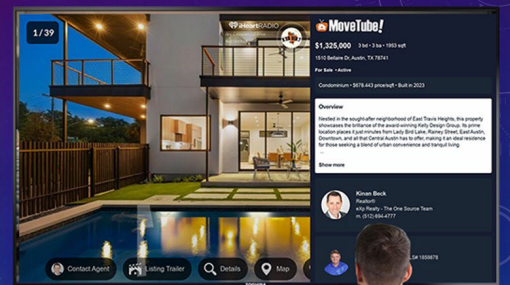

Sent to consumers by scanning the QR code from the MoveTube TV Channel. **This allows consumers to easily connect to you and your loan officer directly from their TV.**

Branding and Listings Showcased on TV.

Agents invited into MoveTube Studio have their branding and listings showcased on all the popular streaming TV devices.

Did we mention that this has proven to be an **attention getter** and a **listing winner** for participating agents?

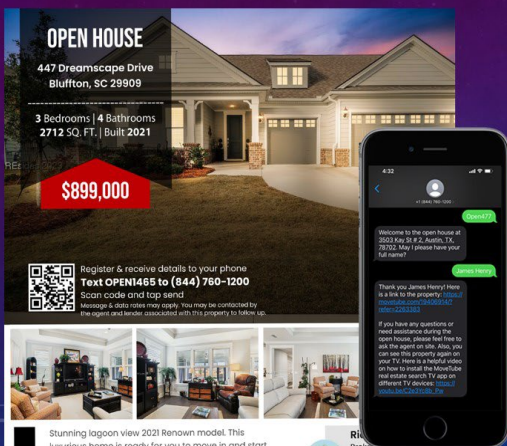

MoveTube! STUDIO

AI Powered Open House Registration Assistant.

Guests easily register via QR code/text message with this non-intrusive registration feature. The AI assistant responds with a video introduction of the property and how to view it on TV. The AI also **sends the name and number of each guest** to the Studio accounts of you and your loan officer for follow up.

MoveTube can also send them directly to your CRM via Zapier.

AI Generated Listing Trailer Videos

Created with just a few clicks, sellers are VERY impressed with these **professional AI narrated** 30 second teaser videos that are formatted for TikTok, Instagram, and Facebook.

They're also automatically published to YouTube, the MoveTube streaming TV channel, and the MoveTube National Search Portal Website.

They are emailed to you for immediate download and are accessible in your Studio account.

Oh, and they typically show up on page one of a Google search too...
